

Are You a Wishful Recycler?

Don't Do It!

If In Doubt, Leave It Out.

Sorting is the most expensive part of recycling so when we put materials in a recycling container that might not be recyclable, we slow down the process and make it more expensive.

Make a difference. Learn what IS and IS NOT recyclable here in Lexington County, SC.

Don't put these DIRTY DOZEN into your curbside recycling cart:

 Plastic Bags (Full or Empty)	 Flat Cans* & Bottles	 Non-Recyclable Plastic	 Non-Recyclable Glass
 Small (Palm-sized) Items	 Hazardous Waste*	 Lids From Glass Jars	 Biohazardous Waste
 Shredded Paper*	 Scrap Metal*	 Food or Liquid	 Rope-Like Items

* These materials may be taken to the 11 Collection and Recycling Centers.
